*Thank you for your support  
as a Tee sponsor as well as  
the certificates for our  
raffle.*

Dear Candy: *Candy*

*Manny*

Your contribution helped change lives. Does that sound like an exaggeration? We don't think it is, and you probably don't either.

Because of your support, a new Tiger Cub learned about sharing with others. A Cub Scout had the thrill of racing his pinewood derby car against other Cub Scouts. A Boy Scout will attend the Joseph A. Citta Scout Reservation this summer and learn a new skill that may begin a career or life long interest. Young men and women will learn diving and many other new skills as Venturer Scouts.

Your generous participation as a Tee Sponsor in the amount of \$250 in our golf event helped Jersey Shore Council keep its promise to provide the youth of our community with a program of leadership training, character development and personal fitness. Scouting has done this for 99 years and families and communities expect nothing less.

Scouting helps today's youth develop into tomorrow's leaders, and your generous support helps ensure that Scouting will be there for generations to come.

Thank you for caring about our Scouts. Should you have any questions, please contact Manny Fonseca at 732-349-1037 or [MFonseca@JerseyShore-BSA.org](mailto:MFonseca@JerseyShore-BSA.org)

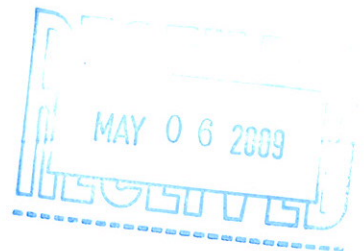

Sincerely,
