Dear Community Friend-

Thank you so much for your generous donation in support of our Comedy Night/ Gift Auction fundraiser. Your business will be featured on our program the night of the event.

In Boy Scouts we learn about values, morals, giving back to our community and being prepared for adulthood all while having fun. We go on monthly outings which include camping, hiking, swimming and horseback riding. We also participate in local parades and practice doing a good turn daily right here in our community.

Because of your generosity and support we are able to raise funds to support our mission to prepare young people to make ethical and moral choices over their lifetime by instilling in them values and the Scout Oath and Law.

We gratefully thank you,
Boy Scout Troop 50
