Mr. Andy Kiraly and Mr. Nick Pagano,

Thank you just doesn't seem to be enough for the wonderful opportunity you have given our students. The expression on their faces showed how much they appreciated all that you did for them. One student gave me a hug and said, "Thank you for inviting me, I feel like a rich person today!" They were all so well behaved and it was a pleasure to spend the day with them. For five years I have been trying to do something special for my students and with your help it was not only possible, it became a heartfelt moment that I will always remember. Your generous donation really touched the hearts of so many people. Thank you!!!

Sincerely,
