Office Restaurant & Lounge

Dear Nick:

Thank you for your support of Community Medical Center Foundation's fourth annual Wine Tasting Event, "*Red, White and Brew - A Tropical Paradise*", to benefit the J. Phillip Citta Regional Cancer Center at Community Medical Center. The Office Restaurant & Lounge's sponsorship gift of \$3,000.00 is very much appreciated, and our Committee is very grateful for your role in the success of this event.

The physicians and staff of the J. Phillip Citta Regional Cancer Center provide specialized leading-edge treatments to the more than 2,000 patients who turn to us on a monthly basis, in a healing environment, using state-of-the-art equipment. Your generosity helps to ensure that we can continue to do so, keeping those diagnosed with this disease close to home, family and friends. The J. Phillip Citta Regional Cancer Center also offers an educational library to our patients and their families and provides courtesy transportation to patients in need of assistance getting to and from CMC for their life saving treatments. Your support touches so many, all of whom are extremely grateful.

Again, on behalf of the entire staff at Community Medical Center, I would like to express our appreciation for your participation in this important fund raising event.

Sincerely,

Richard J. Pallamary  
Vice President for Development
